

## Customer Support

Accidentally downloaded a thumbnail?  
Format conversion ruined your metadata?

Let Bubo serve your customers by identifying the image and pointing towards the original unmodified full-resolution image.

### Search for low-resolution preview

**Is681797.jpg**  
**Headline:** HANDBALL Bundesliga 2007/2008  
**Author:** Sascha Klahn

...

The full-resolution image is returned as a search result.  
Your customer can now proceed to buy a print-ready version.
